 Farewell and departure

Almost 40!

Yes! You read that right 😊

Our club has been around for nearly 40 years, and next year we plan to celebrate in a big way! But first, let's enjoy this year's International Turbo Meeting — marking our 39th birthday.

Join us on **Friday, 29 August 2025 from 16:00** at **Den Hazelaar in Eersel** for the legendary ITT.

We're returning to a familiar location (we've hosted two ITTs here in the past) and some of you might still have your *fire-breathing certificate* to prove it. Remember those days?

We'll be staying at De Pluu, and there's also space on-site for tents and campers. There are six bedrooms for five people each, as well as two larger shared rooms. Please bring your own pillowcase, pillow, fitted sheet, sleeping bag and/or duvet.

To register, complete the registration form (see Registration form ITT 2025 EN.xlsx) and email it promptly to voorzitter@hftc.nl **Please include "ITT 2025" in the subject line.**

Are you not able to use the excel just drop me an email 😊

Your registration helps us plan ahead — we'll be making purchases and arrangements with suppliers, and naturally, the club will be incurring costs. For that reason, we're unable to offer full refunds unless there's a serious reason for cancellation.

We hope for lots of registrations so we can make it another unforgettable weekend together!

Payments by account number: NL06 INGB 0000 1469 64 to HFTC and please mention your name and ITT 2025 [BIC code INGBNL2A]
